Transfer and Repeat Policy

Transfer of students from other schools to Harold's Cross Educate Together Secondary School (Harold's Cross ETSS.)

An application to transfer is defined as one from a student who has previously enrolled and attended another post-primary school, in or outside, the Harold's Cross ETSS school planning area.

As a matter of general policy, transfers into the school from another school are discouraged in the overall interests of the continuity of the student's education. It is not the policy of the school to accept transfer applications from students already enrolled in local post-primary schools before 19th April, or after 10th May, preceding the academic year for which the student is seeking to join.

Note: Transfers into any student year group will not be considered after 10th May in any school year. Exceptions may be made under the following criteria

- i. Have moved into the area.
- ii. Have evidential proof of new residence.
- iii. Have no existing school place and have not been asked to leave or been expelled from their previous post primary school.
- iv. Students living in Direct Provision.

The Board however, may, in exceptional circumstances and entirely at its discretion, consider applications where the above criteria are substantively met.

To consider an application from a student who has been expelled, or asked to leave their previous post-primary school, it is required by the parents of that student to provide written evidence of the completion of the Section 29 process against the said school, as outlined in the Education Act 1998.

Admissions Notice:

The number of places available in each year group is published as part of the school's Admission Notice each year.

Process for transfer enrolment:

Students applying to Harold's Cross ETSS from another school must complete a Transfer Application Form. Applications must be accompanied by the student's three most recent school reports and the Junior Certification JCPA (if applicable).

Only applications made on the appropriate form and accompanied by this supporting documentation will be processed further. Each request will be dealt with on a case-by-case basis respecting all legislative and Department of Education circular letter regulations.

Applications will only be considered subject to the following conditions:

- i. The enrolment priorities as outlined in the Admissions Policy of Harold's Cross ETSS.

2. The following supporting documentation must accompany the fully completed Transfer Application form:
 - The student's three most recent school reports
 - Junior Certification JCPA (if applicable)
3. The completed form and documentation should be sent by post or handed in to the office at Harold's Cross ETSS by 10th May in the year of admission for application to enter our school the following September. Please note that submission of a Transfer Application form is not a guarantee of the student getting a placement in Harold's Cross ETSS.
4. The Principal of Harold's Cross ETSS may make contact with the principal, or deputy principal, of the school the child is currently enrolled at to ensure a full understanding of the student's educational, social, emotional and behavioural needs.
5. A meeting with the applicant and Parents/Guardians/Carers will follow once the above has been completed and are satisfactory.

Failure to fully complete the Transfer Application form, failure to supply any relevant documentation requested by the school, or failure to make a reasonable arrangement to meet with the school authority to discuss the application may result in the application not being processed.

Application to Repeat:

Students who are currently in Harold's Cross ETSS and who wish to repeat an academic year must make an application to do so before 1st May of their current school academic year. E.g.: A First Year student of 2021/2022 who wishes to repeat First Year in 2022/2023 must make a written submission to do so before 1st May 2022.

All applications to repeat will be presented to the Board of Management for final decision.

Application to Transfer and Repeat:

Students who seek to transfer and repeat an academic year must make an application and submit all relevant documentation before 10th May of the academic year. E.g.: A student who is currently in First Year in another post primary school, who is seeking to transfer and also wishes to repeat their previous academic year, must submit all relevant documentation before 10th May of the school year in which the repeat of the school year is taking place. Students who seek to transfer and repeat an academic year must follow the same procedure for a transfer enrolment.

Repeats must be in full compliance with the provisions set out in Circular M02/95. In the case of permissions granted to repeat a year, a return certifying the fact of the permissions and the specific grounds on which they were

granted, must be forwarded to the Department of Education. This form (Form M02/95A) must be returned not later than 29th September of the school year in which the repeats are taking place. Management at Harold's Cross ETSS cannot guarantee that Department of Education permission will be granted to accommodate the student request in this matter.

All applications to transfer and repeat will be presented to the Board of Management for final decision.

Criteria for Transfer and/or Repeat Applicants to achieve a place in Harold's Cross ETSS:

1. The Board of Management believes the transfer and/or repeat is in the best interest of the applicant student at this particular time.
2. The Board of Management believes the transfer and/or repeat is in the best interest and welfare of the existing Harold's Cross ETSS community.
3. The availability of places in a particular year in Harold's Cross ETSS.
4. Availability of the full subject options sought by the student.
5. The capacity of Harold's Cross ETSS to provide a full educational programme of studies to the student applicant, subject to maximum numbers in specific class subject units.
6. Acceptance by the student applicant and his/her/their parents/guardians/carers of the Harold's Cross ETSS Code of Positive Behaviour.

9. All supporting documentation listed above is submitted and deemed satisfactory.
10. A meeting with the applicant and both parents/guardians/carers has taken place.
11. Parents/Guardians/Carers, please note that incomplete applications will not be considered.

It should be noted that existing students already enrolled at Harold's Cross ETSS have priority of entry to existing educational programmes and subjects over transfer students. The Board of Management having reviewed the application to

transfer and following consultation with members of the teaching staff, reserves the right to recommend an alternative and more appropriate programme of study for the transferring student.

Right to refuse enrolment:

While recognising the right of students and parents to enroll in the school, the Board of Management of Harold's Cross ETSS has a responsibility to respect the rights of the existing school community and, in particular, the students already enrolled. This requires balanced judgements, which are guided by the principles of natural justice and acting in the best interest of all students. An application may be refused where a report from another school indicates that the applicant's behavioural record could be detrimental to the safety, welfare and education of students and staff. The Board of Management will seek to promote the greatest good for the student body at all times. The Board of Management therefore reserves the right to refuse enrolment to any students in exceptional cases (Education Welfare Act 2000 S (24), Education Act, 1998 S (29) and Circular Letter M48/01.

Examples of where such an exceptional case could arise are outlined below:

1. Where in the opinion of the Board of Management the student poses an unacceptable risk to other students, school staff or school property.
2. The applicant has been excluded (formally or informally) from another school for causing serious disruption to the learning environment, drugs related offences, sexual assault, or violence.
3. Where the student has special educational requirements and where, in exceptional circumstances, resources provided to Harold's Cross ETSS cannot meet the needs of the individual student.
4. Where the student and/or parent/guardian/carer refuses to work in partnership with the school, or to support educational initiatives and activities as offered within Harold's Cross ETSS.
5. Where the student and/or Parent/Guardian/Carer refuse to accept the terms of the Code of Positive Behaviour.

The list of reasons stated here is not exhaustive and all factors will be considered.

Notification:

The Board of Management will notify the candidate of its decision by 31st May.

Right of Appeal:

The Board of Management shall not refuse to admit a student, in respect of whom an application (to be so admitted) has been made, except where such refusal is in accordance with the terms of the Harold's Cross ETSS's Admissions Policy as published in compliance with the terms of legislation and official Department of Education circular letters.

Should a student's application for admission to the school be refused, the parents/ guardians/carers have the right to appeal to the Secretary General of the Department of Education (Education Act 1998, Section 29 (d) or any amendment, or substitution thereof. The parents/guardians/carers will be informed in writing of the Board of Management's decision and the reasons why the student was not accepted will be clearly stated. An application form for such an appeal will be provided on request from the school office. The appeal must be made within 42 calendar days from the date the decision of the Board of Management is notified to the parents/guardians/carers concerned (circular M48/01).

The appeal should be made in writing on the prescribed Application Form supplied by the Department of Education. The Appeals Application should be completed in full and should state:-

1. The decision being appealed;
